

In Memory of Noah...

The Noah's Ark Hospice Fund was established in memory of Noah Martin, a 14-month-old boy who spent three weeks in the Van Wert Area Inpatient Hospice Center.

Noah was born with a rare heart condition and other disorders that kept him hospitalized for much of his life. When he returned home, his care became overwhelming for his parents and they decided to bring him to the hospice center.

At home, his small bedroom had been so full of equipment that it prevented anyone from holding him. While at the hospice center, his parents got to hold Noah again and just love him.

Out of gratitude for the care they received, the Martin family wanted to give back and they started the Noah's Ark Fund.

The Noah's Ark Fund provides comfort items to hospice patients and their families that are not covered through hospice benefits. Items like roll-away beds, fans, toys, bird feeders, and gas cards are purchased to make a family's stay at the hospice center more comfortable.

The fund also enables children who have lost a loved one to attend CHP's annual Rays of Hope Camp at no cost. The Noah's Ark Fund is supported solely through the generous donations of individuals and through fundraising events. Thank you!

Noah's Ark Fund

CHP Hospice provides compassionate care to area families both at home and at our hospice centers in Defiance and Van Wert.

One of the main tenets of hospice care is to provide for the physical, mental, emotional, and spiritual needs of both the patient and their loved ones. However, sometimes there are practical needs that arise that aren't covered through hospice benefits.

The Noah's Ark Fund supplements the loving care delivered to those being served at the Van Wert Area Inpatient Hospice Center.

Noah's Plaque

A plaque is hanging at the Van Wert Area Inpatient Center in memory of Noah Martin. The Martin family chose the inscription, "Into every life a little rain must fall... but afterward, God sends a rainbow to remind us He loves us all!"
